SINCE 1951 **H&H**™ HAS BEEN THE SINGLE QUALITY SOURCE

Custom Truck Bodies

Fork Lift Cylinder Tank Storage Cabinet

Smooth-Rider™ Trailer Pat. No 4,023,694

FOR ALL OF YOUR GAS HANDLING NEEDS

Trucks, trailers, tank storage cabinets

H&H can meet all of your gas handling needs. We build our gas handling equipment knowing you need and expect quality and performance. H&H builds it all in. You'll reduce labor, increase safety, and save time and money.

Truck Bodies — We design our truck bodies with your field service work in mind. Transport, service or deliver cylinders and other awkward loads anywhere. Large or small, custom or standard, steel or aluminum. H&H offers a large choice of options, including in-bed lift platforms, electric or hydraulic cranes, grated or diamond plated flooring, and more.

Trailers — Our Smooth-Rider™ bulk tank trailers are built to make moving tanks a breeze. They cushion the load with rubber torsion axles. One person can operate these trailers with

your choice of options: hydraulic hoist, dual-cable top-mount or side mount electric winch, or hand winch.

Tank storage cabinets — Our rugged Cylinder-Stor cabinets are built for secure outside storage of cylinders, giving you better inventory control and bigger profits. Single- and double-section models are furnished with keyed padlocks, tamper-proof padlock hasps, reinforced back panels, and bolt-down features for complete security and safety.
